### Your Membership Benefits

**1.TALKS:** We host talks throughout the year, usually at The South Downs Memorial Hall in North Street, Midhurst. Parking outside. Start time in 2018 was 19.00, but this might change periodically. Talks are informative, entertaining, and cover a wide range of subjects – most often with a local connection. There will be an opportunity to chat with fellow-members, speakers and members of the committee over a glass of wine or refreshment. 2019 will be an ambitious series of ‘not to be missed’ evenings, including a debate, a musical event plus topics contributed by members.

**2.INVOLVEMENT:** We truly welcome feedback from our members. Let us know of any local issues that you think we should become involved in, by email, letter, or at one of our talks. As a member you will be adding your voice to an influential group on issues of planning, amenities, and conservation in Midhurst and its surrounding villages. We actively encourage ‘mingling’ so bring along your friends to meet other like-minded people.

### Notes

**GIFT AID:** As a charity this makes a real difference to our Society. If you are a UK taxpayer and complete the gift aid section below we can recover tax at the current rate from HM Revenue & Customs at no extra cost to you.

**DATA PROTECTION:** We hold your details (name, postal address, telephone number, email address) for the express purpose of communicating with you about Society activities, including subscription renewals, newsletters, and notices of meetings and talks. We will also, from time to time, solicit your views on issues affecting Midhurst and surrounding villages.

For those of you who have signed up for gift-aid we will share this information with HMRC (the Tax Man). We will not share your details with any other individual or organisation.

Your information will be stored in paper form (your completed membership application) and in digitised form (on computer equipment). Any such computer equipment will be password-protected. We will store this information for a maximum of three years and then it will be destroyed.
