

This is a list of subjects we put to our Members in March 2018. Not all Members replied to all subjects. Of those who did respond, the percentages of those in favour of involvement by The Midhurst Society is shown in the end column.

	%
Better road/pavement surfaces	89
More affordable housing	88
Less pollution	85
Better cycle, pedestrian and wheelchair access	83
Preservation/enhancement of commons and other public places	81
Safeguarding existing schools and school places	71
Improved traffic flow (e.g. Midhurst bypass)	68
More/better banking and post office facilities	65
More/better health centres	50
More designated parking	38
Speed restrictions (e.g. 20 mph zones)	33
More retail outlets	20
More light industrial units	20
More parking restrictions	14

In addition, concerns were expressed about

- Lack of affordable housing
- Lack of a 'decent' supermarket
- Designated parking needed for new developments
- Lack of parking for coaches
- Noise and pollution connected with 'light' industrial developments
- Lack of monitoring of parking and traffic infringements
- Lack of a medical centre at the southern end of town
